**Matrix**  
Left-facing Built-in Gas Fireplace

Faber helps you create the atmosphere and look you desire for your unique space. Our built-in Matrix models let you design your fireplace - to viewing angles and finishes.

## Left-facing Built-in Gas Fireplace

**Venting Compatibility**  
 Dura Vent adapter (included)  
 ICC adapter TM-5AA8 (sold separately)

**Beautiful Burning Logs**  
 Burners are hidden beneath the log to produce flames that organically wrap around the logs for an incredibly authentic fire experience.

**Faber Five Burner**  
 The Matrix patented five burner gas fireplace provides the ultimate control - choose all burners or front only and adjust the gas flow to manage heat output.

**Premium Log Set**  
 Realistic charred log set to maximize the illusion of depth and the appearance of burning firewood. Combine with loose embers for a custom display.

**Light Module**  
 Casts a firelight glow within the media for a truly lifelike effect that can be enjoyed year round, with or without the flames.

**Battery Back-up**  
 Enjoy your fireplace during power outages with the battery back-up gas valve.

**Invisimesh**  
 A protective layer of Invisimesh surrounds the glass barrier of the fireplace and provides a safe surface for children and pets.

**Adjustable Heat Output**  
 Enjoy more nights in front of the fire using the fully adjustable gas valve and split burner to manage heat output.
